

## **Multi-year Contract Opportunity with the RCMP!**

Altis Professional has secured a contract for Access to Information and Privacy Consultants with the Royal Canadian Mounted Police. We are looking for experienced ATIP consultants who are interested in pursuing a new contract. This is a great opportunity to work with the RCMP on large files pertinent to the department.

Avoid the traffic and rush of the downtown core and work at the RCMP head office in Barrhaven (73 Leikin Drive) and have access to the following amenities:

- FREE parking
- FREE fully equipped, state of the art gym
- Food and Beverage vendors on-site

This is a great opportunity for public servants who are retiring, finishing a casual or term, or consultants looking for their next contract!

## **Qualifications and Experience**

- Must have experience working on large Access to Information or Privacy files within a Canadian Federal Government setting;
- Must be willing to proceed through the RCMP security screening;
- Experience with an Access to Information redaction software;
- Experience with files containing litigation;
- Experience in handling sensitive files.
