Pourquoi voulez-vous suivre le programme de certificat, et qu'espérez-vous en tirer?

Veillez joindre un CV à jour et faites parvenir cette demande à l'ACAP au 207, rue Bank, pièce 237, Ottawa (Ontario) K2P 2N2, ou par télécopieur, au numéro suivant : (613) 833-0905, d'ici le **1 mars 2020**. Voir les règles de bourses avant de postuler.

CAPA has decided, after reviewing the course content, to offer at least one full scholarship to a CAPA member who wishes to enter the certificate programme. This means that all course and registration fees would be paid for by CAPA. **This will be done by reimbursing the scholarship recipient at the end of each semester, upon successful completion of that semester.** The recipient must pass each semester to continue with the scholarship.

For further information on the IAPP Certificate Programme, you can call the University of Alberta at 1-877-6864625 or go to their website at www.extension.ualberta.ca/study/government-studies/.

Included with this mailing is a scholarship application form to be filled out and sent in, as directed on the form, by November 15, 2011. The criteria are on the form. The successful applicant will be announced at the CAPA Annual Conference on November 22, 2011. The scholarship recipient must attend the annual CAPA conferences continuously during the term of the scholarship.
